

UNIVERSITY UNDERGRADUATE DEGREE REQUIREMENTS

Graduation Requirements

Undergraduate degree requirements consist of Dearborn Discovery Core, minimum grade point averages, minimum credit hours, placement exams, and a senior-residency requirement. Undergraduate students must elect to follow (a) the degree requirements in the catalog current in their first term of enrollment after admission or readmission or (b) degree requirements in a subsequent catalogue as long as they were enrolled in a term in which it was in effect. Students may not mix catalogs.

The precise number depends on the previously attended institution(s) and the maximum number of transferable credits. The table below gives the minimum residency requirements for transfer students.
