

ADMISSION TO THE HONORS PROGRAM

The Honors Program at UM-Dearborn is designed for qualified, highly-motivated students who want an extra level of challenge and stimulus in their college experience. Honors students take a special sequence of classes that satisfy basic requirements and, at the same time, provide a well-balanced undergraduate education. The program teaches students to think critically and independently, to perceive connections between diverse areas of knowledge, and to express their thoughts clearly and effectively. Honors Program classes are small, enabling students to interact closely with the faculty and each other.

Admission to the program is competitive and is based on the student's interests and experience as well as the high school record.
