

# PERSONAL ENRICHMENT

---

Personal Enrichment is an admission status that enables students to enroll in undergraduate courses for the purpose of personal or professional development. Personal Enrichment students must have already earned a baccalaureate degree and are not seeking an additional undergraduate degree. They may enroll for a maximum of 15 credit hours at the University. There is no limit on the number of semesters, but the total number of credit hours for all semesters enrolled may not exceed 15.

A Personal Enrichment student will have fees assessed and adjusted by fee regulations identical to those governing regular matriculated students. All courses taken under PE status are considered part of the undergraduate record.
