

SMALL BUSINESS MANAGEMENT

ENT 403	Social Entrepreneurship	
Total Credit Hours		21

In addition to major requirements, students must complete the BBA Degree Requirements (http://catalog.umd.umich.edu/undergraduate/college-business/#BBA_Degree).

The small business management major is designed to offer students a broad range of knowledge and skills in order to prepare them to lead or contribute to a small or medium enterprise. Small businesses present unique opportunities and challenges, which students in this major will be equipped to navigate. In addition to learning about diverse business disciplines, students will be exposed to the fundamental processes of starting and managing a small business.
