BA 480  Seminar: Bus Administration  1 to 3 Credit Hours
To provide students with an opportunity for intensive study in current selected areas related to the research activities and/or professional activities of faculty members.

Restriction(s):
Can enroll if Class is Senior

BA 480A  Seminar: Bus Administration  3 Credit Hours
Topic: Business Planning. This course aims to be a multidisciplinary seminar that requires students to explore a potentially profitable business idea and to develop an appropriate business plan as a document increasingly adopted for the submission and evaluation of business proposals. The interactive business laboratory will lead students from the assessment of their business idea to the definition of a detailed market research and the description of a trustable strategic planning. Finally, students will be also required to devise an accurate budget and a basic pro-forma financial statement in order to give accounting consistency to the business idea described in the first part of their business plans. Topics covered include: market analysis, strategic planning and organizational structure, cost definition & analysis, break-even point, budgeting and performance representation. (OC)
BA 480D  Entre& Comm: Doing Bus in Det  3 Credit Hours
This entrepreneurship class addresses innovation, creativity, and the commercialization process to explore the implementation and feasibility of new business ideas. Topics include opportunity recognition, creativity and design thinking, market assessment, strategic and financial planning. Students will be exposed to resources from urban areas including speakers with experience and expertise in the entrepreneurial community. Students will use events and organizations like Detroit SOUP or Start Garden to understand urban business needs and idea generation. From there they will work in teams developing an understanding of creative thinking, innovation, market assessment and effective communication of business and commercialization opportunities while taking a business idea through an iterative process toward market realization.
Restriction(s):
Can enroll if Class is Junior or Senior

BA 490  Research: Bus Administration  1 to 3 Credit Hours
To provide the advanced student with the opportunity to undertake a research project under the supervision of a faculty member. At least two weeks prior to registration in the term when such a course is to be elected, an interested student must submit to the dean of the school a written request for permission to elect a research course, on a form available in the school office. The request will include a description of the proposed research project. The dean will review the proposal with faculty members to ascertain availability of relevant faculty supervision and to establish appropriate credit.
Restriction(s):
Can enroll if College is Business
