Can enroll if Class is Sophomore or Junior or Senior Can enroll if College is Education, Health, and Human Services or Arts, Sciences, and Letters

PDED 418  Topics in Education  1 to 3 Credit Hours
This course is intended to introduce students to the characteristics and assessment of persons with ASD, as well as the best practices related to educating students with Autism Spectrum Disorders (ASD). Specifically, students will learn evidence based practices for assessing students with ASD, creating an appropriate educational environment for students with ASD, and providing academic instruction and behavioral interventions to students with ASD in special education and general education settings. Instruction will emphasize specific assessment and teaching tools and behavior management principles and practices associated with educating K-12 student with ASD.
Restriction(s):
Can enroll if Class is Post-baccalaureate Cert only or Undergraduate NCFD or Undergrad Certification only or Post-baccalaureate NCFD or Junior or Senior Can enroll if College is Education, Health, and Human Services or Arts, Sciences, and Letters
PDED 418CA  Topics in Education- Technology for the Flipped Classroom  1 Credit Hour
Participants will learn how to use a variety of different technologies in order to flip* their current or future classroom. This will include using a learning management system (LMS) to create an online learning space and learning to create a variety of multimedia elements (screen capture tutorials, animations, digital videos) for instructional purposes. *In the context of this course, a flipped classroom is one in which in instructional content is provided by the teacher online through multimedia elements such as videos and podcasts and classroom time is devoted to students working on assignments that would normally be given as homework. The classroom is considered “flipped” because the instruction happens outside of class and homework is completed in class where students have easy access to the teacher. (OC).

Restriction(s):
Can enroll if Class is Undergrad Certification only or Post-baccalaureate NCFD or Post-baccalaureate Cert only or Freshman or Sophomore or Junior or Senior

PDED 418CB  Topics in Education  1 to 3 Credit Hours
TOPIC TITLE: TESOP Abroad: Best Practices for Teaching English to Speakers of Other Languages This course provides international TESOL instructors with the background to the theory and best practices for teaching English in non-English speaking countries for academic and professional purposes. The course is designed to provide TESOL instructors with strategies that can be effectively implemented in their English language courses to promote their students’ English language academic proficiencies.

PDED 418R  Topics in Education  1 Credit Hour
Topic: Creating Online Learning Experiences. This course will provide students with instruction on a variety of tools they can use to create online learning experiences for their students in order to fulfill the Online Learning requirement mandated by the State of Michigan. Participants will also learn various strategies for teaching online.
