

REGISTRATION INFORMATION

Academic Advising

Academic advising should be sought from the student's school, college or graduate department office prior to registration.

Appointment Time to Register

Continuing students who are eligible to register via the Web can determine their registration date based on credits earned as listed in the registration timetable. New students and those participating in non-traditional programs will receive written information regarding their registration appointment time. The Registration Timetable is available on the Office of the Registrar's Website ([umdearborn.edu/registration](http://www.umdearborn.edu/registration) (<http://www.umdearborn.edu/registration/>)).

Closed Courses

Closed course information will be posted at the Enrollment Services counter (1169 UC) and on the Office of the Registrar's Website ([umdearborn.edu/registration](http://www.umdearborn.edu/registration) (<http://www.umdearborn.edu/registration/>)).

Course Load

Students may elect a maximum of 18 credit hours in a given semester. Students should contact their college for policies and procedures regarding electing hours in excess of the maximum. (See policy for more info)

Hold

Students will not be allowed to register if they have a hold. A hold could result from having outstanding financial obligations to the University, academic probation, mandatory advising or other academic or non-academic conditions that require resolution prior to registration. Students can check their holds on UM-Dearborn Connect. See the "View Your Holds" page located in the secure area under the Student Accounts menu.

Registration Options

UM-Dearborn offers eligible students two options for registration:

- Walk-in
- Web¹

¹ All students (with the exception of some non-traditional programs) who have been enrolled at least one term within the last year, new graduate students, and readmitted students who do not have financial obligations, holds or other registration restrictions are eligible to register via UM-Dearborn Connect. New transfer and new freshman students will register during New Student Orientation.
