

# MEDIEVAL AND RENAISSANCE STUDIES

Medieval & Renaissance Studies is cross-cultural in design and covers the time-period from Late Antiquity (ca. 400) to the seventeenth century. Through the interdisciplinary study of history, art, religion, language and literature, students will develop an integrated understanding of medieval and early modern civilization. Its legacy, along with its intellectual and social diversity, enhances our understanding not only of the past but of present society.
